A note from the Governors of Rosemellin

We are very fortunate at Rosemellin to have a team of Governors who are very much committed to working with the leadership of the school and the Trustees of Crofty MAT to ensure our children get the best possible education at our school. Governance is an important part of the school's work and the school's Governors hold the school to account, supporting and challenging the school's leadership to ensure that progress is made and the school keeps moving forward.

The school's Governing Body currently has two vacancies for the role of Parent Governor. If this is a role which you can see yourself in, feel that you have worthwhile and valuable skills to make a difference to our school and, most importantly of all, are committed and passionate about the education and life chances of our young people then the Chair of Governors, Jenni Richards, and our Vice Chair of Governors, Kath Boase, would very much like to hear from you.

Kath Bose will be available on the morning of Friday 13th, and the morning of Friday 20th, to speak with interested parents, face to face, to share a little of the role, expectations and commitment and is very much looking forward to meeting with you. Please feel free to also contact the Headteacher, Mrs Finn, and who also be able to give you further information.

Mrs Finn's Message

Dear Parents/Carers

It is hard to believe that, due to the bank holiday, last week was only a four day week! We seemed to cram such a lot into it. Needless to say, our Y6 children are continuing with their fantastic work and are very well set up ready to tackle the national tests this week (SATs). (They have already completed their Spelling, Punctuation and Grammar paper, and we couldn't be prouder of them in the way they tackled it.) We all enjoyed a great start to this week with our Y6 children enjoying a breakfast in school. Thank you to the staff and kitchen staff who kindly helped in preparing our children for the day ahead. It went very smoothly and the children transitioned to their classrooms, ready to do their best-what more can we ask?

This morning we said goodbye to our Y4 children who are taking part in our Y4 camp at Bishops Forum. It was quite something, waving the children farewell and made us all realise it has been such a time since we have been able to participate safely in such activities. I am looking forward to spending the evening with them and, hopefully, enjoying a good night's sleep! Fingers crossed!

Throughout last week our KS1 children enjoyed participating in a story workshop. This project has been running for a number of weeks and the children are very much enjoying listening to the professional storytellers who are teaching them a story/stories so that they will be able to tell the story in turns. We are very much looking forward to their performance.

So, here we are, very much looking forward to the week ahead and I wish you all well.

Mrs Finn
