# Mrs Finn's Message

Dear Parents/Carers

Can I just say how much we are enjoying our Sport days. It is absolutely lovely to see parents/carers back on site and we are delighted with the turnout- the children and staff really appreciate that you are spending time with us; we love it that you are cheering your children on and encouraging them every step of the way. Thank you.

For some Year groups the Sports days have been a little wet but that has not dampened the children's - or your- enthusiasm. For me, the thing I am most proud of is not only that the children are all trying their very best by giving all the events their best shot but that they are also cheering on each other and working collectively as a team. Mr Woodmason-our PE/Sport lead- will be busy collating results at the end of the week so we can make announcements of winners etc just as soon as we can.

A big thank you also to each and every one of our children as, because they reduced the amount of waste/rubbish they produce as a school, and the fact that the children are doing even more to recycle and re-use, Crofty MAT gave each child an ice lolly to enjoy after Sports Day. The children are very appreciative and have very much enjoyed them.

Have a super week.

Mrs Finn
