Making payments on time

We know this time of the year- and this year in particular - is always challenging when there are various trips to pay for, school meals etc. However, we are noticing an increase in the debt that the school is holding and we need to do all we can to reduce it. If you feel you are eligible for Free School Meals, please apply via the Local Authority's website: this makes a noticeable difference to the amount of money a family has each month if on a lower income.

If you are holding a debt, we ask that you chip away at it rather than just leaving it- schools do not have the money to make up any shortfall. We thank you for your help in this matter.

SPORTS DAY!

Rosemellin Sports Day 2022

What a great two weeks we had for our Year Group Sports Days – with none being rained off (although it was touch and go for Year 4!).

Well done to all of the children who competed in the rotation of athletics activities, followed by those who qualified for the final boys and girls sprint races.

Teachers across the school also mentioned how amazing the support was from parents watching. We had a packed field for each event, which was great as it's been three years since we've been able to have spectators – it makes such a difference to the atmosphere!

The whole school team colour results are as follows:

Blue Team: 1212 points

Red Team: 1300 points

Yellow Team: 1333 points

Green Team: 1283 points

As you can see, it was so close when all of the points were added up across the school, but well done to the ...

Yellow Team, Sports Day Winners 2022!

Well done also to the best boy and girl in each Key Stage for the throwing, jumping and sprinting events. Medals and trophies have been handed out in assembly for all of those children.

Well done everyone!!

Mrs Finn's Message

Dear Parents/Carers

How lovely that the sun is back with us- it makes all the difference to children ...and adults alike. I hope we can all enjoy it safely so please remember to put on suncream and wear sunhats-named- each day.

As a reminder to you all, can I say again how important it is that children arrive at school on time. Our gates open at 8.45 a.m and we have a 15- minute window for children to be in their classrooms. The gates to the site are locked at 9.00 a.m and it seems as though we are having more and more children arriving late each morning. This not only disrupts the children's learning routine- Phonics and Reading is the first lesson so that the children get off to a flying start to their day- but it is also causing difficulty in the kitchen as we need to make sure children's lunch orders are in on time.

Please, do all you can to make sure your child arrives at school on time- if it means setting the alarm a little earlier, going to bed a little earlier, walking to school to avoid the rush, then please do it as it really will make all the difference.

Have a good week

Mrs Finn
