

# ROSEMELLIN SCHOOL NEWS - Spring Term

Monday 4th July  
2022

Issue 31

## SCHOOL CONTACTS

Phone: 01209 712313 / Text: 07786207779  
[www.rose mellin.cornwall.sch.uk](http://www.rose mellin.cornwall.sch.uk)

Dinners: ([www.parentpay.com](http://www.parentpay.com))

This week we are on Chartwells' menu Week 3

## Our 4Rs are:

Resilience,  
Reflectiveness,  
Resourcefulness,  
Relationships.

## Beam of the Week!

- CRANTOCK**— Joshua for trying really hard in his writing
- FISTRAL**— Reggie for trying really hard with all aspects of his learning
- LAMORNA**— Kirsten for building good relationships and being kind to the other children
- MAENPORTH**— Lowen for being resilient in maths
- GODREVY**— Layla G for being a reflective learner
- PORTHMEOR**— Cody B for his dedication to consistently reading at home
- PORTHCURNO**— Chloe and Layla for working incredibly hard on their stall for the Summer Fayre and working as a great team
- SWANPOOL**— The whole class for being helpful at the fayre!
- CADGWITH**— Niall R for his excellent efforts in reading at home and in school
- POLZEATH**— Kaiden J for being reflective and relationships
- HARLYN**— Jayden W for great resilience this week and taking great pride in all he attempts. Well done
- PERRANUTHNOE**— Kenzy for always giving 100% in every subject!
- GWENVOR**— Esme for a positive attitude in everything she does
- KYNANCE**— Sean for having a positive, mature and helpful attitude

## Making payments on time

We know this time of the year- and this year in particular - is always challenging when there are various trips to pay for, school meals etc. However, we are noticing an increase in the debt that the school is holding and we need to do all we can to reduce it. If you feel you are eligible for Free School Meals, please apply via the Local Authority's website: this makes a noticeable difference to the amount of money a family has each month if on a lower income.

If you are holding a debt, we ask that you chip away at it rather than just leaving it- schools do not have the money to make up any shortfall. We thank you for your help in this matter.

## DATES FOR YOUR DIARY

**Monday 25 & Tuesday 26th July: Staff Training (school closed to pupils).**

**Wednesday 27th July—SUMMER HOLIDAYS!**

# MATHS

All the Crofty schools have signed up to an online maths programme called Maths-Whizz. This gives the children currently in year 2 to 6 the opportunity to answer maths questions as part of a game. The programme stores information about what they can and can't yet do, making sure the questions are pitched at an appropriate level. We have started using it this week and the children will be able to bring home their login details so they can take part at home. If they do play it at home, it is important that they don't receive help as the programme will think they can do things that are beyond their current ability. The game itself gives teaching points when children make mistakes in order to address any misconceptions.

Over the Summer term, Key stage 2 classes have been focusing on decimals, fractions, shape and time. In Key Stage 1 the focus has been on place value, multiplication and division, shape and time. The children in Key Stage 1 have also been continuing to work hard on the national project 'Mastering Number'. We have seen brilliant progress since the start of the project.

The year 4 classes have recently taken part in their multiplication tables check. Every year 4 child in the country took part in the online tests to check how well they know their times tables. Our year 6 pupils took their SATs tests in May. We are all so proud of their hard work and dedication to achieve their best. Well done year 6!

## Targeted support for families who need it most

---

### Holiday Activities and Food programme

The Holiday Activities and Food programme (HAF) provides healthy food and enriching activities to children and young people, with free places available for those on free school meals. It's available during the summer, Easter and Christmas school holidays, with the next HAF programmes starting in July 2022.

School holidays can be a particularly difficult time for some families. This free holiday club programme helps children to enjoy active and healthy school holidays, where they can experience new activities, meet friends and eat healthy meals.

This programme will run throughout the summer school holidays in every local authority this year and we encourage you to contact the local council for more information.

## Donations wanted!

A white t-shirt is centered in the background of the text. It has a small tag at the collar with the letters 'A S C' and 'E L F' visible.

Old t-shirts/shirts to use as  
painting aprons

(oversized/adult size are  
perfect)

Please pass to your class teacher/Miss  
Sullivan

# Mrs Finn's Message

Dear Parents/Carers

In our Key Stage assemblies on Monday, we enjoyed a visit from Lottie, a librarian from Camborne Library service. Lottie shared the Summer Reading Challenge with the children which is focused on inventors this year. Suitably dressed as a scientist-although some children thought she was Willy Wonka! (as an inventor of chocolate, still fitting the brief)- Lottie shared that the challenge starts this Saturday and runs into September.

Children can sign up to the challenge and commit to reading at least 6 books over the summer. They receive a booklet to note their reads in, will receive rewards for their reading commitment e.g pencil, stickers and finally be awarded a certificate and medal in the new school term.

Children are allowed to borrow up to 12 books and, as membership is entirely free, it is a wonderful way to keep reading without it costing a penny. It would be fantastic for Rosemellin to be **THE** school with the most children signed up and, what a great way to spend some of those rainy summer days.

Come on Rosemellin-we have got this!

Happy Reading

Mrs Finn

## Message from Simon Hague-CEO Crofty MAT

### New schools to join Crofty Trust next year

This week we had the exciting news that the proposal for seven schools from Southerly Point Multi Academy Trust to join Crofty Trust has been agreed by the Regional Schools Commissioner's office.

The staff in the current Crofty Trust schools are really looking forward to working with the Southerly Point staff and will start working together on school improvement in the autumn term.

The schools are likely to legally join Crofty in January 2023 meaning Crofty Trust will look after 16 local schools and approximately 3,500 children.

Exciting times ahead for sure.
