# Do you have a child born **between 1 September 2018 and 31 August 2019?**

If so, you will need to apply for a place in a reception class in September 2023 for that child by the deadline of **15 January 2023**.

**Please note:** you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

# Miss Sargent's Message

Last week we had our first fire drill of the year. (We managed to dodge the rain!) I was extremely impressed to see how safely and sensibly the children evacuated the building and mustered in the playgrounds. As part of our health and safety checks the fire alarm is tested weekly and these drills take place each half term.

Since we returned to school in September I have met with some subject leaders discussing the curriculum and the experiences we offer and could offer our children.

The leads are very passionate and there have been some fantastic visions and ideas which we look forward to sharing with you as they come to fruition. I have also appreciated receiving emails from parents who have some fantastic ideas for experiences we can offer in school. If you have any ideas you'd like to share, please contact the office.

## Playground development

Miss Greenwood and I have been looking at ways to develop breaktimes and lunch times. We would like to introduce a range of different activities that the children can take part in during these times. We would like to create sensory/activity walls in the EYFS/YR 1&2 playground area similar to the images below...

If you have any items similar to those featured in the pictures, or are able to create an activity board to be used in the playground we would be extremely grateful.

Have a great week and check out this week's news question on Class Dojo.
