### Do you have a child born between 1 September 2018 and 31 August 2019?

If so, you will need to apply for a place in a reception class in September 2023 for that child by the deadline of **15 January 2023**.

**Please note:** you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

On Friday Mrs Jones took six pupils from Year 6 to the Youth Conference at the Fibre Hub. They listened to an overview of the Camborne Town Deal projects and were able to give ideas and feedback. They enjoyed the conference and were a credit to Rosemellin.

The new school council team met this week and talked about recycling, plastic pollution and lost property. They are very keen to talk to their classes about how they can help with these. We are looking forward to hearing their ideas at the next meeting.

# Miss Sargent's Message

It is hard to believe that this is the final week of this half-term. But as they say, 'time flies when you are having fun' and I can honestly say that I have enjoyed every minute of it. Getting to know the children, families, staff and community has been an absolute pleasure and I consider myself extremely lucky and privileged to be headteacher at such an incredible school.

I have used the first half-term to 'live and breathe' Rosemellin and what I have learned is how dedicated everyone is in making the primary school experience the best it can be for our children.

There are many exciting new ventures on the horizon that staff have been working very hard on behind the scenes and we look forward to introducing these as the year goes on.

After half-term we shall be starting the new lunch time routine where children will be given coloured wrist bands (dependent on the colour lunch option they choose) and a second serving hatch will be opening in the new hall. We hope that this will mean that children will have to spend less time waiting, will get into lunch sooner and will have more time to eat should they need it. As with any new initiative, it may take a few weeks for everyone to settle into it but I look forward to giving you an update.

We are also working on finalising the calendar for Autumn 2 which will be with you shortly. This will include: after school clubs, parents evenings, cinema trip to Culdrose naval base and Christmas celebrations. Looks like it will be another busy seven weeks!

I hope you all have a wonderful half term break (if I don't see you before).
