CONTACT DETAILS

It is very important that we have the correct contact details for parents/ carers. We need to have a minimum of 3 contacts per child please.

If you have moved house or changed your number please contact the office to let us know either by text, class dojo or email. Thank you.

PARKING

Please can parents refrain from parking or turning around in the access road or in the staff car park leading to the main reception, this is STAFF ONLY parking and unfortunately staff are finding it difficult to park which ultimately will delay them being in class to look after your child.

WE ARE A CASHLESS SYSTEM AND MONEY NEEDS TO BE PAID ONLINE

Please make sure your child's dinner money account is topped up with credit at the beginning of the week.

We can send you a reminder password or print a barcode for you to pay cash at a pay point if preferred.

If your child is in arrears you will need to provide them with a packed lunch.

HOW IT WORKS:

In the morning your child will order a school dinner at registration time.

When they collect it from the canteen they will be marked off on the dinner list.

The office will deduct £2.41 from their account.

If you have any questions regarding school money please contact the office.

PTFA News!

Thank you to the School Community for the amazing donations and support for the Rainbow Raffle. The raffle alone raised nearly £1600, (of which £1189 was achieved prior to the event by just the families of the School selling tickets). The final figure at the end of all Trevithick Day festivities was almost £1900. We had lots of comments from the public on how amazing the School is and that the support from parents is clearly evident. The Photos of the Prizes have been posted on a National PTA social group and have in turn inspired other Schools and PTAs to do the same and attracted kind comments.

Congratulations!

You've been shortlisted for Parentkind's National PTA Awards 2023! You'll find your invitation to our awards ceremony on the 19th of May below, as well as details of how to attend.

We have been working closely with the School and Newquay Zoo and are pleased to announce the whole School has a trip to the Zoo in June!

Firstly we like to remind everyone that by default, every teacher, parent and guardian is a member of the "Friends of Rosemellin PTFA" and without your support none of the above or future projects happen, so thank you.... and congratulations. Miss Sargent and our Parent Governor kindly nominated the PTFA for the UK National PTFA awards for best new PTFA for the communities achievements since November 22 and we have been shortlisted against all other National nominations, so please cross your fingers and hopefully we will have some even bigger news soon.

Miss Sargent's Message

What is with Thursdays and rain???

Last Thursday I was on the Year 4 residential at camp Kernow. Despite the torrential downpours, spirits were still high and the children enjoyed activities such as: archery, climbing, foraging, den building and late night woodland walks. The children camped out in tepees, medieval tents and even an upturned boat! I always love being part of a residential where you see children grow in confidence, overcome fears and spend valuable time with their friends. They were a great bunch (who clearly weren't fans of sleep) and made us laugh on many of an occasion. Thank you to those adults who gave their time to come on camp.

This Thursday was our Celebration Picnic. We had visions of everyone on the field, blankets, picnics and sunshine. It wasn't quite what we pictured but it was still a lovely event. It was so nice to go into the halls and see everyone having lunch together. The children were excited all morning to eat with their families and those who ate in the classroom enjoyed spending time in a relaxed atmosphere with their friends.

Thank you to everyone who helped on the day. The staff in the kitchen worked so hard on prepping the food. A big THANK YOU goes to Miss J Odgers in the office who organised the event. It is not an easy task to organise something of this size and with the added fact that we had to do it indoors it was even harder. I'm sure you'll agree that she did an amazing job.

We are really looking forward to inviting you in again in the future.

KS2 SATs Week

Next week our Year 6's will be taking their SATs test in Reading, Spelling, Punctuation and Grammar and Mathematics. As a school, we couldn't be prouder of how hard they have worked. They have shown themselves to be resilient and have always done their best – what more could we ask for? I know that they will be incredible next week but it is important to add that this is a snapshot/ a moment in time and does not show all of the other wonderful things that make them uniquely them. I wish them all the very best and hope they have a weekend of relaxing with family and friends.

Finally, I wish you all another fun-filled bonus bank holiday weekend and we shall see you on Tuesday.
