WE ARE A CASHLESS SYSTEM AND MONEY NEEDS TO BE PAID ONLINE

Please make sure your child's dinner money account is topped up with credit at the beginning of the week.

We can send you a reminder password or print a barcode for you to pay cash at a pay point if preferred. If your child is in arrears you will need to provide them with a packed lunch.

HOW IT WORKS:

In the morning your child will order a school dinner at registration time.

When they collect it from the canteen they will be marked off on the dinner list.

The office will deduct £2.65 from their account.

If you have any questions regarding school money please contact the office.

NO PARKING

THANK YOU

PLEASE CAN PARENTS REFRAIN FROM PARKING OR TURNING AROUND IN THE ACCESS ROAD OR IN THE STAFF CAR PARK LEADING TO THE MAIN RECEPTION, THIS IS STAFF ONLY PARKING AND UNFORTUNATELY STAFF ARE FINDING IT DIFFICULT TO PARK WHICH ULTIMATELY WILL DELAY THEM BEING IN CLASS TO LOOK AFTER YOUR CHILD.

In **Science in Year 3** we have been learning about the skeletons in our bodies and what they do. We were lucky enough to have Danielle Moore come into our classes on Thursday to give us a masterclass on what it means to be a veterinary nurse. The children enjoyed bandaging up teddies, dressing up in surgical gowns, looking at some animal X-rays and even Daisy got involved as the children listened for her heartbeat using a stethoscope! We are really grateful to Danielle for giving up her time to share her knowledge and expertise with the children and providing so many fun activities.

Rosemellin Starfish Christmas Tree

Our Christmas tree is covered in starfish because at Rosemellin we like to 'make a difference.' We heard the story of a little girl on a beach covered in thousands of stranded starfish. She was picking them up one at a time and throwing them into the sea. A passer by asked what she was doing and when the little girl replied that she

was saving them the passer by said, "you won't be able to save them all, there are too many." The little girl picked up a starfish, threw it in the sea and said, "but I made a difference to that one."

We have our starfish moments at Rosemellin school where we try to make a positive difference in all that we do.

Miss Sargent's Message

This week seems to have flown by.

Health and Safety

We have recently had all of our play equipment checked. This is to ensure that it is safe for everyone to use. As you will have seen, the play equipment on the grass area of the year 3/4 playground has been cordoned off. This is because a few sections of it need fixing/replacing due to weather damage. Please can make sure that you child/ren do not play on it at the beginning or end of the day as we don't want to risk any injuries. We are in the process of getting it fixed and will let you know when it can be used again. Thank you in advance.

Daisy Duke played a part in the Year 3 classes this week. Thank you to Danielle for coming into school to show the children what it is like to be a veterinarian nurse.

The children were able to listen to Daisy's heart through a stethoscope – there was nothing quite like seeing their faces transform from real concentration to absolute delight when they finally heard it. We love to

welcome people in to share their jobs with the children. It is so important that they understand how and why what we learn in school helps them in their future careers therefore if you would like to come and talk with us please let us know.

Our Rosemellin Christmas tree is now sat in the church ready for this evening's lantern parade. Thank you to Miss Sullivan for organising this and getting the children to be so creative with their clay starfish. Please pop along and take a look. Our big and small octopus lanterns are also looking fantastic – I'm really looking forward to marching through the town with some of our Year 5s representing our school.

I hope you have a great weekend.
