Starfish- I made a difference!

Rosemellin Starfish Christmas Tree

Our Christmas tree is covered in starfish because at Rosemellin we like to 'make a difference.' We heard the story of a little girl on a beach covered in thousands of stranded starfish. She was picking them up one at a time and throwing them into the sea. A passer by asked what she was doing and when the little girl replied that she was saving them the passer by said, "you won't be able to save them all, there are too many." The little girl picked up a starfish, threw it in the sea and said, "but I made a difference to that one." We have our starfish moments at Rosemellin school where we try to make a positive difference in all that we do.

Tuesday 19th December - End of Term

We'd like to thank "Dean Tulley Carpentry " who this year has sponsored and paid for the Schools Christmas Trees.

It's these kind gestures that make a difference to the Children's festive experience and ensuring they don't miss out on the magic of Christmas, whist allowing the School & PTFA funds to focus on being spent for educational purposes and their initial intention/purpose.

Thank You Dean Tulley.

Although the deadline for the Decorate a Christmas Tree has gone, you are more than welcome to keep these coming in.

We appreciate we ask a lot and December is a financial worry for all, so any loose change that can be spared, collectively will make a big difference.

These funds will help us subsidise any secret events that might be coming up!

(Shhh Winter Wonderland is a secret PTFA funded event)

What's the PTFA been up to since Aug.....

- Sponsored Colour Run (biggest fundraiser to date)
- Spooky /Neon Disco
- Paid for EYFS book bags
- Designed, sourced & paid for KS2 CARE badges
- Designed, sourced, paid and hand assembled the KS1 CARE medals
- Organised a School Author visit to the School
- Facilitated the Christmas Mugs, cards and cushion merchandise
- Organised a fundraising Winter Fayre
- Organised a free Winter Wonderland event (shhh it's a secret)
- Purchased whole class gifts from Santa for the classes (shhh it's a secret)
- Organised the Schools sponsor to purchase Christmas trees
- Purchased 400 Crackers for the Christmas Dinner

There's lots more behind the scenes that goes on to ensure we support the children and School, especially with the charities commission.

The reaction we get from the children and your generous support always drives us on.

If you would like to help the PTFA with a raffle or financial donation please email us, however, the best way for you to have a positive impact on the Children's experience at School is to join us......

We always need volunteers, either full time to help with all of the above or voluntary Helpers for specific events......its also a great way to see first hand the children's smiles, that are plenty.

Thank you for your continued support

On Thursday, the children who have been participating in RockSteady Music lessons rocked Rosemellin with their amazing performances. The children worked so hard and the bravery to stand and perform in front of over 200 people really is to be commended. Thank you to Zach, our RockSteady Band Leader for organising such a great event not only for those performing but

also those who were watching. If your child is interested in starting RockSteady Music lessons, please get in touch with me. Best Wishes, Miss Leeson
