Starfish- I made a difference!

At Rosemellin we like to 'make a difference.' We heard the story of a little girl on a beach covered in thousands of stranded starfish. She was picking them up one at a time and throwing them into the sea. A passer by asked what she was doing and when the little girl replied that she was saving them the passer by said, "you won't be able to save them all, there are too many." The little girl picked up a starfish, threw it in the sea and said, "but I made a difference to that one." We have our starfish moments at Rosemellin school where we try to make a positive difference in all that we do.

WE ARE A CASHLESS SYSTEM AND MONEY NEEDS TO BE PAID ONLINE

Please make sure your child's dinner money account is topped up with credit at the beginning of the week.

We can send you a reminder password or print a barcode for you to pay cash at a pay point if preferred. If your child is in arrears you will need to provide them with a packed lunch.

HOW IT WORKS:

In the morning your child will order a school dinner at registration time.

When they collect it from the canteen they will be marked off on the dinner list.

The office will deduct £2.65 from their account.

If you have any questions regarding school money please contact the office.

NO PARKING

THANK YOU

PLEASE CAN PARENTS REFRAIN FROM PARKING OR TURNING AROUND IN THE ACCESS ROAD OR IN THE STAFF CAR PARK LEADING TO THE MAIN RECEPTION, THIS IS STAFF ONLY PARKING AND UNFORTUNATELY STAFF ARE FINDING IT DIFFICULT TO PARK WHICH ULTIMATELY WILL DELAY THEM BEING IN CLASS TO LOOK AFTER YOUR CHILD.

Miss Sargent's Message

Welcome back to Spring Term 2024!

It felt slightly bizarre last week only having two days at school before another weekend but I think it gently introduced us back into school life. It may sound cliché but when I walked around the classrooms the children seemed to have grown so much! It was lovely to see their excited faces sharing their holiday news.

Opal playground

I would like to thank those of you who have given feedback regarding Opal playground. For the large majority this was really positive however, some younger children have felt slightly intimidated being in the playground with older children. As always, we listen to all the views of our Rosemellin community and made the decision to pause Opal until we returned in January. What we know is that the children have loved having the variety of equipment to play with and the large range of activities – this is something we would not want to stop. Following a discussion with children and staff we have devised a new approach to Opal playground which enables the children to have access to all the ‘fun bits’ whilst feeling safe and happy. Please see below the revised approach for Opal. We shall be talking regularly to the children in class and assemblies and as always, would appreciate feedback from yourselves to ensure this provision meets the needs of all our children.

We thank you for your patience whilst we finalise the details for our new wrap around care which will start Tuesday 20th February 2024. We have decided to name it Seahorses.

We are very excited to run this term time provision for our families and plans are already underway as to how this will be run each day. I would personally like to thank the staff who are in the position to be able to run these clubs. This extends their working days significantly and I

really do appreciate how keen they are to support our school community.

After school club: 3:15pm – 6:00pm

Until 4:15pm = **£1.80**

until 4:45pm = **£3.60**

until 5:15pm = **£5.40**

until 5:45pm = **£7.20**

until 6:00pm = **£8.10**

You will be able to book places for your child using the Google booking forms which will be available soon.

Attendance

Rosemellin's attendance currently sits at **93.66%**. The national expectation is **96%**. Whilst 3% may not seem a lot, this is significant. I would like to reiterate (as always) that we appreciate that children can get poorly and other events may prevent them from attending school however the government takes this into consideration when they calculate the 96% expectation.

Ensuring your child arrives at school on time is very important so that they get the best education possible. Children arriving late has a huge impact on our attendance and is very disruptive for a them as they have to enter the classroom when lessons are under way. Avoidable absence and lateness can also have a negative

impact socially for your child. At Rosemellin, we want to support you in any way we can to help improve attendance. We want our children to be happy and successful at school.

There are 175 non-school days in a year and 190 school days each year.
