Starfish- I made a difference!

At Rosemellin we like to 'make a difference.' We heard the story of a little girl on a beach covered in thousands of stranded starfish. She was picking them up one at a time and throwing them into the sea. A passer by asked what she was doing and when the little girl replied that she was saving them the passer by said, "you won't be able to save them all, there are too many." The little girl picked up a starfish, threw it in the sea and said, "but I made a difference to that one." We have our starfish moments at Rosemellin school where we try to make a positive difference in all that we do.
