Year 5 residential

Dear Parents/Carers

Our Year 5 residential will be a week on the Isles of Scilly staying at the Pelistry Campsite. This will take place Monday 15th June – Friday 19th June 2026.

The cost of the residential has been roughly calculated and as such may change, be that an increase or decrease. The estimated cost will be £350 to include food, accommodation, transport, activities such as: beach activities, boat trips, seal spotting, visiting Tresco gardens, island hopping... The final itinerary is yet to be confirmed. I have run this residential for many years and it is such a fantastic opportunity for the children to explore these stunning islands.

As is the case with all residentials places are limited. We are able to take up to 30 children and places will be given on a first come first served basis. Should you wish to reserve a place, you will need to return the slip below and pay a non-refundable deposit of £40 by 4th November 2025 on Parent Pay. A payment plan will then be set up.

The safety of children on residentials is paramount and therefore on the rare occasion that we deem a child's behaviour to put this at risk, we will have a discussion with the child's parents as to whether or not it is safe for them to go. Children must show the same level of conduct that we'd expect on the residential throughout the school year. By paying the non-refundable deposit, you are acknowledging that you understand that in extreme cases your child may not be able to attend.

Should you require any further information, please don't hesitate to get in touch.

Many thanks

C Sargent
