Starfish- I made a difference!

At Rosemellin we like to 'make a difference.' We heard the story of a little girl on a beach covered in thousands of stranded starfish. She was picking them up one at a time and throwing them into the sea. A passer by asked what she was doing and when the little girl replied that she was saving them, the passer by said, "you won't be able to save them all, there are too many." The little girl picked up a starfish, threw it in the sea and said, "but I made a difference to that one." We have our starfish moments at Rosemellin school where we try to make a positive difference in all that we do.

CRANTOCK - The whole class for a great start to the school year

DATE FOR YOUR DIARY 🗰

We are starting to raise funds for a big project - we are redesigning The Cove and The Nurture Room in the school.

These spaces are used by the majority of the students and are a really important resource.

Sometimes all a child needs is a few quiet minutes...

to breathe

to reset

to feel safe again.

Our Nurture Room and The Cove provide that place —not just for children with SEND, but for any child who is feeling overwhelmed by life, whether it's worries, grief, friendship struggles, or simply a hard moment.

It's a space that says,

"You are welcome. You are safe. You don't have to hold it all alone."

Please come and support this amazing cause, if you would like to donate any prizes please let a member of the PTFA or the school know. Thank you.
