## Starfish- I made a difference!

At Rosemellin we like to 'make a difference.' We heard the story of a little girl on a beach covered in thousands of stranded starfish. She was picking them up one at a time and throwing them into the sea. A passer by asked what she was doing and when the little girl replied that she was saving them, the passer by said, "you won't be able to save them all, there are too many." The little girl picked up a starfish, threw it in the sea and said, "but I made a difference to that one." We have our starfish moments at Rosemellin school where we try to make a positive difference in all that we do.

What is the 'Forever Faith Foundation?'

Forever Faith Foundation supports families affected by Congenital Heart Disease (CHD), offering practical help, emotional support, and meaningful moments during some of life's most challenging times.

Inspired by Faith's legacy, they provide grants, bereavement support, and comfort through their baby boxes and community partnerships, helping families feel supported, not alone.

We thank you in advance for your generosity and support.

We can send you a reminder password or print a barcode for you to pay cash at a pay point if preferred.

If your child is in arrears you will need to provide them with a packed lunch until you are able to put money back on your account again.
