## Starfish- I made a difference!

At Rosemellin we like to 'make a difference.' We heard the story of a little girl on a beach covered in thousands of stranded starfish. She was picking them up one at a time and throwing them into the sea. A passer by asked what she was doing and when the little girl replied that she was saving them, the passer by said, "you won't be able to save them all, there are too many." The little girl picked up a starfish, threw it in the sea and said, "but I made a difference to that one." We have our starfish moments at Rosemellin school where we try to make a positive difference in all that we do.

# PANCAKE DAY

Chartwells

## POPPIES

Unfortunately, we've had to say goodbye to the poppy display at the front of the school. We received lots of positive comments about them since November and we've enjoyed how they brightened up the school, but due to the recent bad weather and very high winds they are no longer in the best condition.

Thank you to the children for helping to pick them and clear them away.

People should eat what they grow have home meals because our school are wasting food, so much as it. It is normally the little ones but some older ones as well.

Is you don't check the menu you won't know if you like the options or not. So all we are saying is if you don't want the options on the menu don't have it.

Ethan and Wade - Eco Trust council reps

From Ethan and Wade - **Crofty Eco Trust council reps**

Chartwells attended their last meeting and talked about food waste and food miles.

In school we need to try and help reduce food waste.

- We can try and eat all our dinner
- Pre order meals that we enjoy
- Check the menu
- Ask an adult if we are not sure what the meal is
